

DERMEDICS® YOUTH EXPERT™ Cream Hydra Deluxe – eye care

YOUTH EXPERT™ Cream Hydra Deluxe – eye care is a rich formulated, luxurious, lightweight creamy-mousse dedicated to prestigious therapies for skin around eyes, targeted on deep oxygenation, hydration, remineralisation, regeneration, resilience and renewal – real results

This eye cream is suitable for daily care for skin of all ages and all types. Ideal also for skincare in hot, arid climate. Recommended to be used alone or prior to make-up of eye zone.

Eye cream contains amazing and novel active ingredients, such as oxygen liposomes, snow algae, SPA DCX™ and other – all to provide a stunning moisturising revival effect for your skin – a real **SPA ALLURE™**.

Overview

- Daily skin care of delicate skin around eyes
- Unisex: for women and men
- Age group: no age limits
- Skin around eyes with very deep dehydration and crow's feet
- Skin trauma caused by overdose of sunbathing
- Sagging skin (lack of skin elasticity and visible wrinkles)
- Sensitive and fragile skin
- Dull skin with grey colour (smokers' skin)

Directions for use

- Luxurious therapies targeted on age-defence and age-reverse
- Youth protection and promoting skin care
- Deep oxygenation, hydration, remineralisation, regeneration, resilience, reinforcement and renewal of skin around eyes
- Anti-wrinkle therapies around eyes (prevention and reduction of crow's feet)
- Summer SPA beauty treatments (when skin is strongly dehydrated because of extended sun exposure)
- Treatments targeted on instant visible effects – relief on skin is felt just after one treatment!
- Daily skincare all year round:
 - Daytime application during warm/mild weather
 - Nighttime application during colder weather

Active Ingredients

Snow Algae + Oxygen Liposomes + Retinol (Vitamin A) + Betaglukan + Phospholipids + SoftFocus™ Beautifying Complex
+ SPA DCX™ [a rich blend of plant extracts (Alchemilla, Lady's thistle, Horsetail, Germinated seeds), Vitamins F, B5 B7, B8 and Mannuronate Silanol]

Effects

- Activates **gene KLOTHO** – the key to skin's longevity!
- Revives the skin cells by providing life-sustaining oxygen
- Restores skin firming and elasticity (stimulates collagen synthesis)
- Improves skin hydration from the inside out
- Improves texture of skin around eyes (reinforces and smoothes the skin, reduces wrinkles)
- Rejuvenates the skin and improves skin tone
- Brings instant relief to the skin burnt by sun or solarium (reduces skin trauma post-UV exposure)
- Reduces discomfort of overdried skin (roughness, itching)
- Provides vitamins to the skin and cells
- Promotes resistance of cells to oxidative stress
- Restores the balance of silicon** level in the skin
 - **Silicon (Si) is a constitutive element of the cutaneous connective tissue which takes a part in the formation and organisation of the extra-cellular matrix (ECM). The natural concentration in silicon decreases with aging and leads to tissue degradation: aged skin and wrinkles.
- Activates skin's self-healing mechanisms against UV, pollutions and allergies (supports immune system of the skin)
- Provides anti-oxidant efficacy, DNA repair and skin cell detox
- **Gives instant and stunning SPA sensation!**
