

DERMEDICS® PEEL SERIES | CATALOG '2016 – INFORMATION FOR DISTRIBUTORS

General product view	<p>DERMEDICS® PRE #2 Pre-Peel Solution: Toner is a water-based, pH balancing liquid formula designed to complete facial cleansing procedures in combination with cleansing milk.</p> <p>Multi-functional, tailored to suit a variety of skin types and conditions – it assists in calming the discomfort associated with weak, itchy, highly irritated or reddened skin during facial cleansing procedures.</p> <p>Toner has skin-neutral pH of 5.5 to provide a pH balancing efficacy of skin prior main beauty treatments.</p> <p>Recommended to be used in combination with a cleansing milk.</p>
Active agents*	<p>Calming components: Panthenol.</p> <p>Soothing components: Lacticol and Xylitol to restore skin's microflora balance.</p> <p>Humectants (moisturising agents): Allantoin, Cotton Seed Oil.</p>
Safety	<p>Free of parabens, phenoxyethanol and formaldehyde (FD) = does not contain DMDM Hydantoin, Diazolidinyl Urea, Imidazolidinyl Urea, Methenamine, Quaternium-15, and Sodium Hydroxymethylglycinate.</p> <p>Free of alcohol, colourants and allergens.</p> <p>Free of soap, SLS and SLES.</p> <p>Ideal for very sensitive skin: contains very gentle but effective components.</p> <p>Blend of preservatives that is used in this product is accepted by ECOCERT in certified organic cosmetics.</p>
Innovations	<p>Unique formula combines high effectiveness in removing the impurities that can still be lingering after cleansing with a cleansing milk (as cleansing milk usually leaves a film on skin surface).</p> <p>It has moisturising and soothing properties, so it can be applied on the most delicate, demanding or sensitive skin condition.</p>
Directions for use	<ul style="list-style-type: none"> Pre-treatment procedures when neutral skin pH of 5.5 is demanded Recommended for skin of all ages for normal to combination skin Unisex: for women and men Effective but gentle toner suitable even for sensitive skin <p>Suggestion: proper cleansing procedure with this product requires application of PRE #1 Pre-Peel Solution: Cleansing Milk by DERMEDICS®.</p>
Effects	<p>Unique formula with skin-neutral pH of 5.5 perfectly complements the cleansing procedures with cleansing milk to provide comfort of use and quick effects, such as:</p> <ul style="list-style-type: none"> Effective cleansing that prepares skin for main beauty procedures Effective balancing of skin pH that minimises the visibility of skin pores Visible smoothing that restores healthier and cleaner appearance of skin
Treatments types	<p>Quick and effective cleansing procedures when skin-neutral pH of 5.5 is recommended:</p> <ul style="list-style-type: none"> Exfoliation by chemical peels Microdermabrasion Dermaplaning Facial massages Other as demanded <p>Suggestion: for needle-free mesotherapy with MESO serums by DERMEDICS® it is more suitable to use CALM Physiological Micellar Water in pre-treatment cleansing procedures because of its pH level which is more suitable for needle-free mesotherapy.</p> <p>Exceptions: MESO WHITE / ACNE / VITAL / LIFT / SHR / SLIM – because their pH is already lower than pH of toner.</p>
Application area	Facial cleansing (in combination with cleansing milk) targeted on effective purification of skin in procedures where skin-neutral pH of 5.5 is required.
INCI	Water/Aqua, Glycerin, Methyl Propanediol, Allantoin, Panthenol, PEG-40 Hydrogenated Castor Oil, Lactitol, Xylitol, Parfum, Gluconolactone, Sodium Benzoate, Sodium Hydroxide, Disodium EDTA.
Cautions	<p>For external use only. Keep out of the reach of children.</p> <p>Contraindications: hypersensitivity to any component of the formulation.</p> <p>This product might be slightly irritated for eyes because of its pH level.</p> <p>Suggestion: for removing make-up around eyes it is more suitable to use CALM Physiological Micellar Water – its pH is more compatible with pH of skin on eyes and lips.</p>
Results*	<p>Quick and easy facial toner.</p> <p>Deep moisturising provides stunning freshness of the skin.</p>
Additional benefits	Economic benefits: one product for all skin types including sensitive skin
Unit package	Professional: 500ml bottle with dispenser
